TO WHOMSOEVER IT MAY CONCERN
(WATER, HEALTH & SANITATION CERTIFICATE)

1. This is to certify that **Sainik School Gopalganj**, affiliated to the Central Board of Secondary Education (Affiliation No. 380003), has made adequate provisions for safe drinking water, health, and sanitation facilities in the school premises as per the norms and guidelines prescribed by CBSE.

(a) **Water Supply & Drinking Water**

- (i) The school has a regular and safe water supply from [mention source – municipal supply/borewell/etc.].
- (ii) RO (Reverse Osmosis) water purifiers are installed at multiple points to ensure safe and clean drinking water for students and staff.
- (iii) Water storage tanks are cleaned periodically and records of maintenance are maintained.
- (iv) Water samples are tested at regular intervals to confirm potability and reports are available on record.

(b) **Sanitation Facilities**

- (i) Separate and sufficient numbers of clean and functional toilets are available for boys, girls, and staff members.
- (ii) Toilets are cleaned and sanitized at regular intervals by trained housekeeping staff.
- (iii) Proper disposal systems for solid and liquid waste are in place as per environmental norms.
- (iv) Sanitary napkin vending machines and incinerators are available in girls' washrooms.

(c) **Health and Hygiene**

- (i) The school has a well-maintained infirmary with a trained nurse/medical assistant.
- (ii) First aid facilities are readily available, and emergency protocols are well established.
- (iii) Regular health check-ups and awareness programs on hygiene and nutrition are organized for students and staff.
- (iii) Measures for vector control and pest management are taken regularly to maintain hygiene on campus.

2. All necessary steps have been taken to ensure a safe, healthy, and hygienic environment in the school, in compliance with the CBSE norms and public health guidelines.
